***To qualify for the introductory rate, opening deposit of new money may not exceed \$250,000 per customer. The introductory rate will apply during the first 6 months after the account is opened unless the account balance exceeds \$250,000, in which case we reserve the right to apply the Standard Money Market interest rate to the entire balance in the account. This is a variable-rate account and the rate may change at any time, except during the introductory period. All interest rates and APYs stated are accurate as of this date. This is a limited time offer, subject to change without notice. **Please see Truth In Saving Disclosure for the Money Market account selected for standard interest rate and APY.**
